

XXI. Mobile Hotspot Lending

To borrow a mobile hotspot from Bloomer Public/G.E. Bleskacek Family Memorial Library, users must be at least 18 years old, have a MORE library card in good standing, and sign this policy at every checkout.

Hotspots may be checked out for 14 days and may not be renewed.

Hotspots must be returned directly to the Bloomer Library service desk. If a hotspot is returned to another library or placed in a bookdrop, a \$10 fee will be charged to the hotspot borrower's account.

A \$1 per day late fine will be charged for each hotspot. Once a hotspot is overdue, Bloomer Library will shut down the connection, which will make the device unusable.

If a hotspot or any accessories is damaged or lost, the hotspot borrower is responsible for the cost of repair or replacement up to \$50.

The hotspot may be used throughout U.S, Canada, & Mexico. Performance of the hotspot will vary depending on location and coverage in the area. Hotspots are an open wireless connection and Bloomer Library is not responsible for information accessed while using this device or for personal information shared over the Internet. Hotspot borrowers are encouraged to follow safe Internet practices. Hotspot borrowers agree to refrain from online activity that violates federal, state, or local laws.

Bloomer Library reserves the right to deny the use of mobile hotspots to any library user. Borrowers agree to abide by the library's policy and procedures.

I have read and understand the Mobile Hotspot Lending Policy. I agree to adhere to this policy and will assume all costs associated with loss or damage to the hotspot and its accessories while it is checked out on my card.
